

Region 2000 Small Business Development Center,
Altavista Chamber of Commerce, and Altavista On Track
Announce a Workshop on:

How to Create a Great, Basic Website

Wednesday, March 14, 2007 **

3:00 PM – 5:00 PM

**Altavista Train Depot
414 Washington Street, Altavista**

Cost: \$10 per individual

Advance Registration Required

Don't Be Left Behind – Learn how your business can benefit from a cutting-edge website and how one will give you the advantages over your competitors in today's business world. The Virginia Electronic Commerce Technology Center (VECTEC) at Christopher Newport University assists small and mid-sized businesses through e-commerce consulting and training. VECTEC specialists will train you on:

- Things to Consider Before Going Online
- Small business E-Commerce Trends and What's *Hot* online
- Resources to Get Started
- Winning Strategies for Your website
- Success Stories vs. Why Websites Fail

(** In case of inclement weather, workshop to be held 3/28/07, same time and venue)

Call the Region 2000 SBDC at (434) 582-6170 to register!
